ACKNOWLEDGEMENTS

Ohio's 2005 Youth Risk Behavior Survey (YRBS) was administered by the Ohio Department of Health (ODH). Special thanks to the interagency state committee comprised of staff representing the Ohio Department of Alcohol and Drug Addiction Services and the Ohio Department of Mental Health who served as advisers to the project.

Sincere appreciation is extended to the superintendents, principals, counselors and teachers of the selected local school districts who so graciously gave their time and energy to administer this survey. Thanks also go to the parents who approved their children's participation in the survey and to all of the Ohio students who completed the YRBS questionnaires during the spring of 2005.

Additional special thanks go to the organizations and individuals who provided support and cooperation for the 2005 Ohio YRBS, including the following agencies and individuals:

- The Centers for Disease Control and Prevention, Division of Adolescent and School Health's Surveillance Research Section, which developed the survey process and questionnaire.
- Westat, Survey Technical Assistance Project, which provided technical assistance, analyzed questionnaires and tabulated the results.
- Kent Minor and Bill Northrup, CNM Educational Consultants, who served as contact persons for Ohio school districts involved in the YRBS.
- ODH Bureau of Community Health Services and Systems Development and Bureau of Health Services Information and Operational Support.
