3701-83-50 Quality assessment and performance improvement program - freestanding radiation therapy centers.

(A) As part of the quality assessment and performance improvement program required under paragraph (A) of rule 3701-83-12 of the Administrative Code, each freestanding radiation therapy center shall report to the director:

(1) The number and type of radiation therapy equipment utilized; and

(2) The type of radiation therapy services provided.

(B) As part of the quality assessment and performance improvement program requirements under paragraph (C) of rule 3701-83-12 of the Administrative Code, each freestanding radiation therapy center shall evaluate the provision of radiation therapy services. The review shall include:

(1) A review of case management and treatment results; and

(2) A review of complications and adverse events which occurred during the provision of the center's services.

Effective: 07/01/2016

Five Year Review (FYR) Dates: 02/16/2016 and 02/15/2021
