**REVIEW CRITERIA USED FOR SELECTION:**

Each application for this continuation cycle was reviewed and scored by BCFHS staff for the completeness and responsiveness to the RFP. The Family Planning team met to discuss each application, including past performance and data analysis of services, the application score and to decide on language for placing special conditions on the applications. The review also allowed program to note funding needs and technical assistance required during the FY10 cycle. Only agencies previously funded in the prior grant year were eligible to apply for FY10.
