

**Ohio Patient-Centered Primary Care Collaborative Fall Conference
Mobilizing prevention and practice teamwork in the neighborhood:
Leveraging the primary care relationship**

November 18, 2016

Pinnacle Golf Club, 1500 Pinnacle Club Dr., Grove City, OH 43123

Conference Purpose: This 5th annual OPCPCC conference will examine how primary care practice teams can work through the patient-centered medical neighborhood to mobilize prevention and disease management activities to improve health. Diabetes prevention and management will be used as an example throughout the day to illustrate models, strategies, and best practices.
