Pharmacies Providing Naloxone

Many pharmacies in Ohio now provide naloxone and education about its use to anyone who requests it. There is a charge for naloxone obtained at pharmacies; however, naloxone may be billed to Medicaid or private insurance. The Ohio State Board of Pharmacy maintains a list of pharmacies that are providing naloxone without a prescription pursuant to a protocol:

<http://pharmacy.ohio.gov/Licensing/NaloxonePharmacy.aspx>

Treatment and Hospital Based Naloxone Programs

The agencies/facilities listed below provide services/naloxone kits to their patients or clients only. Check with your local treatment center or hospital as they may provide these services even if they are not listed here.
