Date: July 6, 2007

**Wellbaskets.com Is Alerting Customers of the Veggie Booty Voluntary Recall
Issued on June 28, 2007 by Robert's American Gourmet**

Newtown, Conn. -- Veggie Booty has been voluntarily recalled by manufacturer Robert's American Gourmet due to possible *Salmonella* contamination. The recently recalled product, Veggie Booty, was a component of many gift baskets created by www.wellbaskets.com. Any recipients of baskets containing Veggie Booty are instructed to discard the contents of the package and to contact Robert's American Gourmet by phone at 1-800-626-7557 or by e-mail at info@robscape.com for refund or replacement.

Customers who have already consumed the product and are experiencing symptoms of *Salmonella* infection such as diarrhea, vomiting, and/or fever lasting longer than three days should contact their health care provider.

While no bags of Veggie Booty have at present tested positive for *Salmonella*, Robert's American Gourmet has taken a proactive stance to recall the product, and Wellbaskets.com has removed the products from its shelves and baskets as of the date of the recall.
