

Ohio Department of Health • Lead Poisoning Prevention Program

Application for Lead License

Read the instructions carefully. Answer all questions as completely as possible. Applications with missing or incomplete information will not be approved until the correct information is provided. This will cause a delay in processing your license application.

General Instructions

1. Complete one application for each license you wish to obtain.
2. Attach any supporting documentation that is required for the license discipline.
3. Send a check or money order payable to **TREASURER, STATE OF OHIO** in the amount of the non-refundable license fee listed below to: **Ohio Department of Health, Attn: Revenue Processing Unit, P.O. Box 15278, Columbus, OH 43215.**

Note: Firms or individuals applying for more than one license may combine payments in a single check or money order

Discipline	Fee for initial and renewal licenses	Fee for replacement of lost license
Lead Abatement Contractor	\$500.00	\$100.00
Lead Abatement Project Designer	\$500.00	\$100.00

Application requirements for lead licensing

All license applications must contain the following:

1. A completed application (must include original signature).
2. A copy of training course certificate (unless you are a Registered Sanitarian, Sanitarian-in-Training, Certified Industrial Hygienist or Industrial Hygienist-in-Training, in which case you must submit a copy of your certificate of registration or certification).
3. Documentation of experience, if applying for an initial Lead Risk Assessor, Lead Abatement Contractor or Lead Project Designer licenses.

Lead Risk Assessor

You must meet or exceed **one** of the following qualifications:

- Be certified, licensed or registered by the State of Ohio as an engineer or architect.
- Have a bachelor's degree and 1 year experience in lead, asbestos, other environmental remediation or construction.
- Have an associate's degree and 2 years experience in lead, asbestos, other environmental remediation or construction.
- Have a high school diploma or GED and 3 years experience in lead, asbestos, other environmental remediation or construction.

Lead Abatement Contractor

- 1 year experience as a Lead Abatement Worker or 2 years experience in lead, asbestos, or other environmental remediation or construction.

Lead Abatement Project Designer

You must meet or exceed **one** of the following qualifications:

- Have a Bachelor's degree in engineering, architecture, or a related profession and 1 year experience in building construction and design or a related field.
- Have four years experience in building construction and design or a related field.

Acceptable forms of experience documentation include:

Resumes
Letters of reference
Work experience
Licenses, certificates or registrations
Signed statement listing your required experience

4. A photograph must be submitted with the licensure application. A passport sized recent color photo shall be attached in the space provided at the right. In lieu of attaching the photo, the applicant may e-mail a photo to lead@odh.ohio.gov. The photo must be .jpg and must be labeled with the applicant's last name and the last four digits of his/her social security number (i.e. Smith 5555).

Provision of your Social Security Number (SSN) is mandated by Ohio Revised Code 3123.50 and Ohio Revised Code 3742.50. Your SSN may be used for purposes including but not limited to identification of obligors under child support orders and verification of identity.

This application will not be accepted if it is not signed

By signing below I solemnly swear that the answers I have given on this application and all other information submitted including: training course information, and all appropriate attachments, whether provided in print, in writing or by other means, are accurate, complete and true to the best of my knowledge.

Applicant signature	Date
---------------------	------

Knowingly making a false statement or knowingly swearing or affirming the truth of a false statement previously made in order to gain approval is a criminal offense. See section 2921.13 of the Ohio Revised Code.
