

Q92: On how many of the past seven days did you take part in organized afterschool, evening or weekend activities other than sports teams such as school clubs, community center groups, music/art/dance lessons, drama, church or other supervised activities?

In 2005, approximately one-half of students reported that they participate in extracurricular activities other than sports teams.

- 55.6 percent of students reported that they took part in organized after school, evening or weekend activities (extracurricular activities) other than sports teams on one or more of the past seven days.
- There were no significant differences in participating in extracurricular activities by gender, grade level or race.

There were no significant differences between 2003 and 2005.

This question was not asked in 1999.
