

ELIGIBILITY AND INITIAL ASSESSMENT PROCESS FOR:

Informed Clinical Opinion

3701-8-07 (5)

The evaluation tool was administered but does not indicate a 1.5 standard deviation in one or more developmental domains. The evaluation team determines through the use of ICO that the child meets eligibility criteria. The evaluation team documents their Informed Clinical Opinion on Section IV and Attachment A of the IFSP. Documentation includes documenting all methods used to form the evaluation team's clinical opinion.

Service Coordinator coordinates the child and family assessment; does the child/family need one or more EI services?

Based on the outcomes written:

NO

Child is exited

YES

Coordinate IFSP meeting

Prior to IFSP Periodic Review

Service Coordinator coordinates eligibility (tool); is the child eligible?

YES

Service Coordinator coordinate the child/family assessment; does the child/family need one or more EI service based on the outcomes?

NO

Child is exited

NO

YES

Coordinate IFSP meeting
