SOURCE OF FUNDS SUPPORTING GRANT:	
FUND	DESCRIPTION
4D6	Genetics Services

OVERALL ACTIVITIES COVERED BY FUNDS SOURCE:

The Regional Comprehensive Genetic Centers are funded to assure that: 1) children and adults with, or at risk for birth defects or genetic disorders and their families, receive quality, comprehensive genetic services that are available, accessible and culturally sensitive; and 2) providers, the general public and policy makers are aware and knowledgeable about birth defects, genetic conditions and genetic disease-related services in Ohio.

In SFY09, projects will accomplish their goals by focusing on 6 ODH defined priorities/initiatives. These include:

1. Participation in RCGC Statewide Network activities and services;
2. Provision of Genetics Outreach Clinics;
3. Provision of genetic services to BCMH and non-BCMH multidisciplinary specialty clinics;
4. Participation in the ODH Statewide Cancer Genetics Initiative;
5. Provision of OCCSN case coordination and education; and
6. Provision of Newborn Screening case coordination, reporting and education.

REVIEW CRITERIA USED FOR SELECTION:

Applications were reviewed based on requirements outlined in the RFP and delineated on the SFY2009 RCGC Grant Application Review Form. Grants were reviewed to assess compliance with continuing activities outlined in the SFY2008 competitive grant application. Level funding was applied and applicants from SFY 2008 were approved to continue receiving funding in SFY 2009.
