SOURCE OF FUNDS SUPPORTING GRANT:	
FUND	DESCRIPTION
392	Federal Public Health Programs

OVERALL ACTIVITIES COVERED BY FUNDS SOURCE:

To prevent and reduce tobacco use in Ohio and the toll tobacco takes on the state in terms of disease, death, and health care costs, with primary emphasis on preventing tobacco use by youth and reducing tobacco use.

- 1 – To increase the number of communities implementing laws requiring licenses to sell tobacco products.
- 2 – To increase the number of school districts with 100% tobacco-free school campus policies, including policies that include off-campus events.
- 3 – To increase the number families with smoke-free policies for their homes and vehicles to reduce children’s exposure to secondhand smoke.
- 4 – To increase the number of primary care physicians that use the 5 A’s or 2 A’s and an R (referral to the Ohio Quit Line or certified cessation program in their area).
- 5 – To increase the number of worksites that provide cessation coverage or onsite cessation services, including Nicotine Replacement Therapy to employees.
- 6 – Other objectives with the approval of the ODH program.

REVIEW CRITERIA USED FOR SELECTION:

1. Contributes to the advancement and/or improvement of the health of Ohioans;
2. Is responsive to policy concerns and program objectives of the initiative/program/activity for which grant dollars are being made available;
3. Is well executed and is capable of attaining program objectives;
4. Describe specific objectives, activities, milestones and outcomes with respect to time-lines and resources;
5. Estimates reasonable cost to the ODH, considering the anticipated results;
6. Indicates that program personnel are well qualified by training and/or experience for their roles in the program and the applicant organization has adequate facilities and personnel;
7. Provides an evaluation plan, including a design for determining program success;
8. Is responsive to the special concerns and program priorities specified in the request for proposal;
9. Has demonstrated acceptable past performance in areas related to programmatic and financial stewardship of grant funds; and
10. Has demonstrated compliance to GAPP, Chapter 100.
11. Explicitly identifies specific groups in the service area who experience a disproportionate burden of the diseases or health condition(s) and explains the root causes of health disparities.
