

3701-26-01 Definitions.

- (A) "ASSE" means the American society of sanitary engineering.
- (B) "Backflow" has the same meaning as set forth in rule 4101:3-2-01 of the Administrative Code.
- (C) "Combined park-camp" means any tract of land upon which a combination of five or more self-contained recreational vehicles or portable camping units are placed and includes any roadway, building, structure, vehicle or enclosure used or intended for use as part of the park facilities. A tract of land that is subdivided for lease or other contract of the individual sites is a combined park-camp if a combination of five or more recreational vehicles or portable camping units are placed on it for recreation, vacation or business purposes. "Combined park-camp" does not include any tract of land used solely for the storage or display for sale of self-contained recreational vehicles or portable camping units or solely as a temporary park-camp.
- (D) "Dependent recreational vehicle" means a recreational vehicle other than a self-contained recreational vehicle and does not include a manufactured home or a mobile home.
- (E) "Director" means the director of health or the director's authorized representative.
- (F) "Dump station" means a facility designed to receive the contents from sewage holding tanks or self-contained recreational vehicles and may include both of the following:
 - (1) The components necessary for collecting and holding the sewage wastes; and
 - (2) The water service used for flushing vehicle sewage holding tanks and adjacent dump station areas.
- (G) "Electrical system" means the wiring and utility service site connection from each recreational vehicle or portable camping unit, any other service connections, any service building and all parts of a distribution system connected to the service line entering the park or camp.
- (H) "Gray water" means the liquids and other materials resulting from cooking and washing activities at a site which are normally deposited in a plumbing or disposal fixture but which contain no sewage.
- (I) "Gray water disposal facility" means a receptacle used only for the collection or disposal of gray water.
- (J) "Human consumption" means ingestion or absorption of water or water vapor by humans as the result of drinking, cooking, dishwashing, handwashing, bathing, showering or oral hygiene.
- (K) "Licensed contractor" means an individual licensed under section 4740.06 of the Revised Code and is certified to perform electrical work.
- (L) "Licensee" means the person specified on the application for a license to operate or maintain a recreational vehicle park, recreation camp, combined park-camp or

temporary park-camp and to whom a currently valid license has been issued by the licensor.

- (M) "Licensor" means either the board of health of a city or general health district or the authority having the duties of a board of health in any city as authorized by section 3709.05 of the Revised Code or the director when required under division (B) of section 3729.06 of the Revised Code. "Licensor" also means an authorized representative of any of those entities.
- (N) "Manufactured home" has the meaning set forth in section 4501.01 of the Revised Code.
- (O) "Mobile home" has the meaning set forth in section 4501.01 of the Revised Code.
- (P) "One hundred year flood" means a flood having a one percent chance of being equaled or exceeded in any given year.
- (Q) "One hundred year flood plain" means that area adjoining any river, stream, watercourse or lake that has been or may be inundated by a one hundred year flood.
- (R) "Park or camp" means a recreational vehicle park, recreation camp, combined park-camp or a temporary park-camp.
- (S) "Person" has the same meaning as in section 1.59 of the Revised Code and also includes this state, any political subdivision of this state and any other state or local body of this state.
- (T) "Potable water" means water which is satisfactory for all drinking, culinary and domestic purposes.
- (U) "Portable camping units" means dependent recreational vehicles, tents, portable sleeping equipment and similar camping equipment used for travel, recreation, vacation or business purposes and does not include a manufactured home or a mobile home.
- (V) "Privy" means any sanitary waterless device for the collection and storage of human excreta and includes chemical commodes or other portable receptacles.
- (W) "Recreation camp" means any tract of land upon which five or more portable camping units are placed and includes any roadway, building, structure, vehicle or enclosure used or intended for use as part of the facilities of such camp. A tract of land that is subdivided for lease or other contract of the individual sites is a recreation camp if five or more portable camping units are placed on it for recreation, vacation or business purposes. "Recreation camp" does not include any tract of land used solely for the storage or display for sale of dependent recreational vehicles or used solely as a temporary park-camp.
- (X) "Recreational vehicle" has the meaning set forth in section 4501.01 of the Revised Code and does not include a manufactured home or mobile home.
- (Y) "Recreational vehicle park" means any tract of land used for parking five or more self-contained recreational vehicles and includes any roadway, building, structure, vehicle or enclosure used or intended for use as part of the park facilities and any tract of land that is subdivided for lease or other contract of the individual sites for

the express or implied purpose of placing self-contained recreational vehicles for recreation, vacation or business. "Recreational vehicle park" does not include any tract of land used solely for the storage or display for sale of self-contained recreational vehicles or solely as a temporary park-camp.

- (Z) "Self-contained recreational vehicle" means a recreational vehicle which can operate independent of connections to sewer and water and has plumbing fixtures or appliances all of which are connected to sewage holding tanks located within the vehicle and does not include a manufactured home or a mobile home as defined in section 4501.01 or 3781.01 of the Revised Code.
- (AA) "Sewage" means human or animal urine or excrement and the water or other medium used to transport it.
- (BB) "Sewage collection system" means pipelines, pumping stations, force mains and appurtenances for collecting and conducting sewage and gray water to a point of disposal or treatment.
- (CC) "Site" means a location inside a park or camp where self-contained recreational vehicles or portable camping units are placed.
- (DD) "Solid wastes" has the same meaning as set forth in rule 3745-27-01 of the Administrative Code.
- (EE) "Substantially alter" means to change the layout or the internal components of a park or camp, including but not limited to movement of utilities or changes in established roadways, sites or other facilities.
- (FF) "Temporary park-camp" means any tract of land used for a period not to exceed a total of twenty-one days per calendar year for the purpose of parking five or more recreational vehicles, dependent recreational vehicles or portable camping units or any combination thereof, for one or more periods of time that do not exceed seven consecutive days or parts thereof.
