

Medicaid Administrative Claiming (MAC)

Policy Issuance #1

Dated Issued: June 21, 2007

Effective Date: July 1st, 2007

Title: One week notification of time study participants

On page 24 of the ODH MAC Methodology Guide dated March 30th, 2007 under the heading of Time Study Training there is a statement:

“ All time study participants will be informed of the time study week no earlier than three weeks prior to the time study period.”

The time length of time to notify time study participants has changed. Time study participants are to be notified no earlier than one week.

Please note that you can provide training earlier than one week. If you do, then the notification of the dates of the time study period is not to be announced. The one week notification would be later.
