

Medicaid Administrative Claiming (MAC)

Policy Issuance #2

Dated Issued: October 27, 2009

Effective Date: October 1, 2009

Title: Medicaid School Program (MSP) Verification

Starting the quarter of October 1, 2009 Local Schools has the option to become part of MSP. This new program has Medicaid Administrative Claiming (MAC) as a component. There exists the possibility of double claiming.

In order to assure that school district does not claim for services you are providing, you are required to obtain annually in writing that the school district will not claim for your contractual services. The signature must be from the School Treasurer, or higher, authority. Either a letter or having language added to an existing contractual agreement with the school district is acceptable. Reviewing annually with school district is required. Retention of the written communication becomes part of your standard audit file.
