Ohio thanks the Alabama Department of Health for permission to modify their educational materials for use in Ohio.

SWAT  TEAM

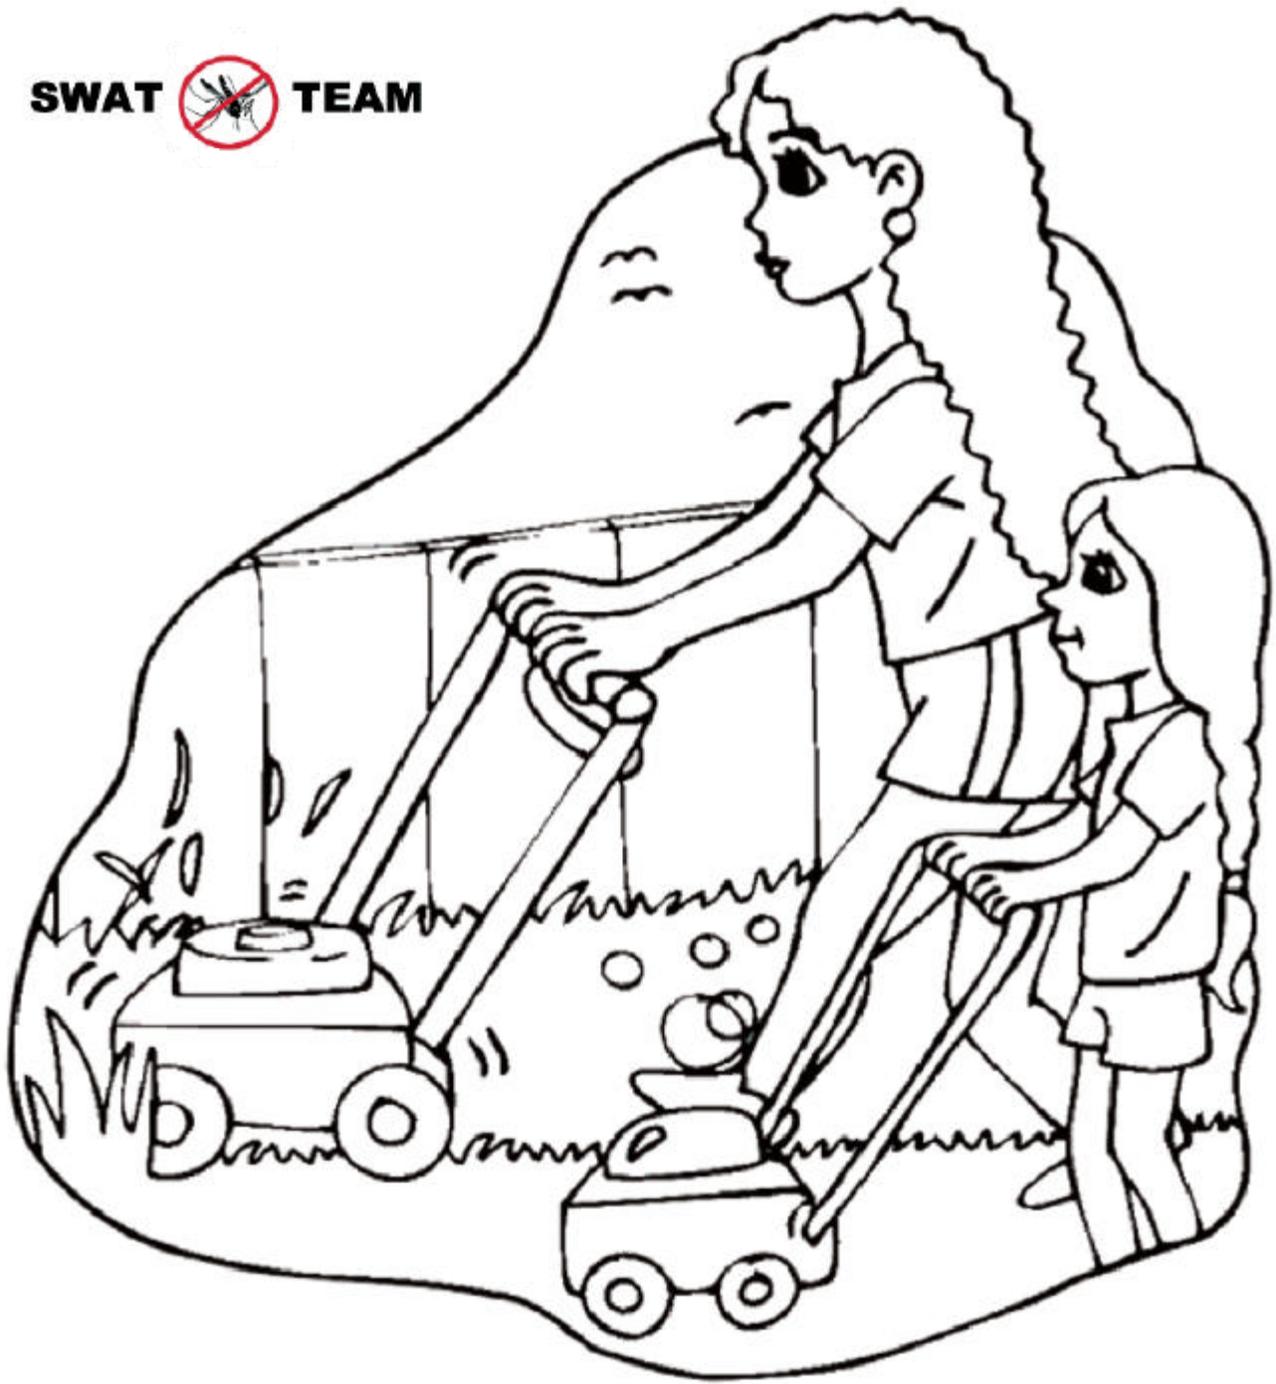

Throw away things in your yard that collect water such as old buckets, cans bottles or jars.

SWAT  TEAM

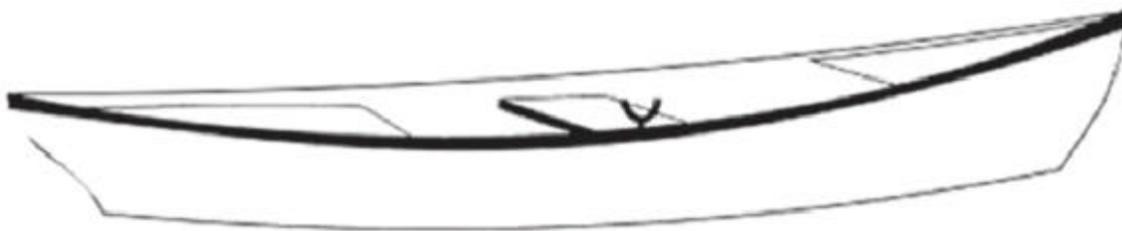

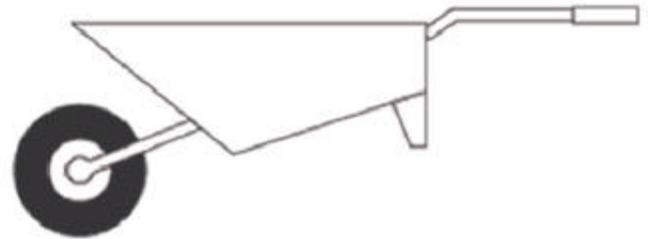

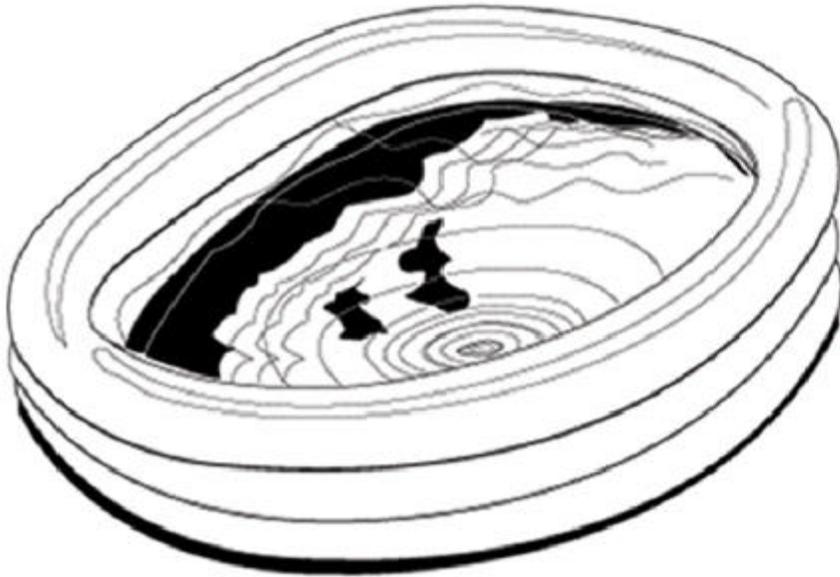

Repair leaky pipes and outside faucets,  
and keep drains and gutters unclogged so  
that water does not collect in these areas.

SWAT  TEAM

Keep weeds, vines, and grass trimmed since mosquitoes use these shady areas as resting places.

SWAT  TEAM

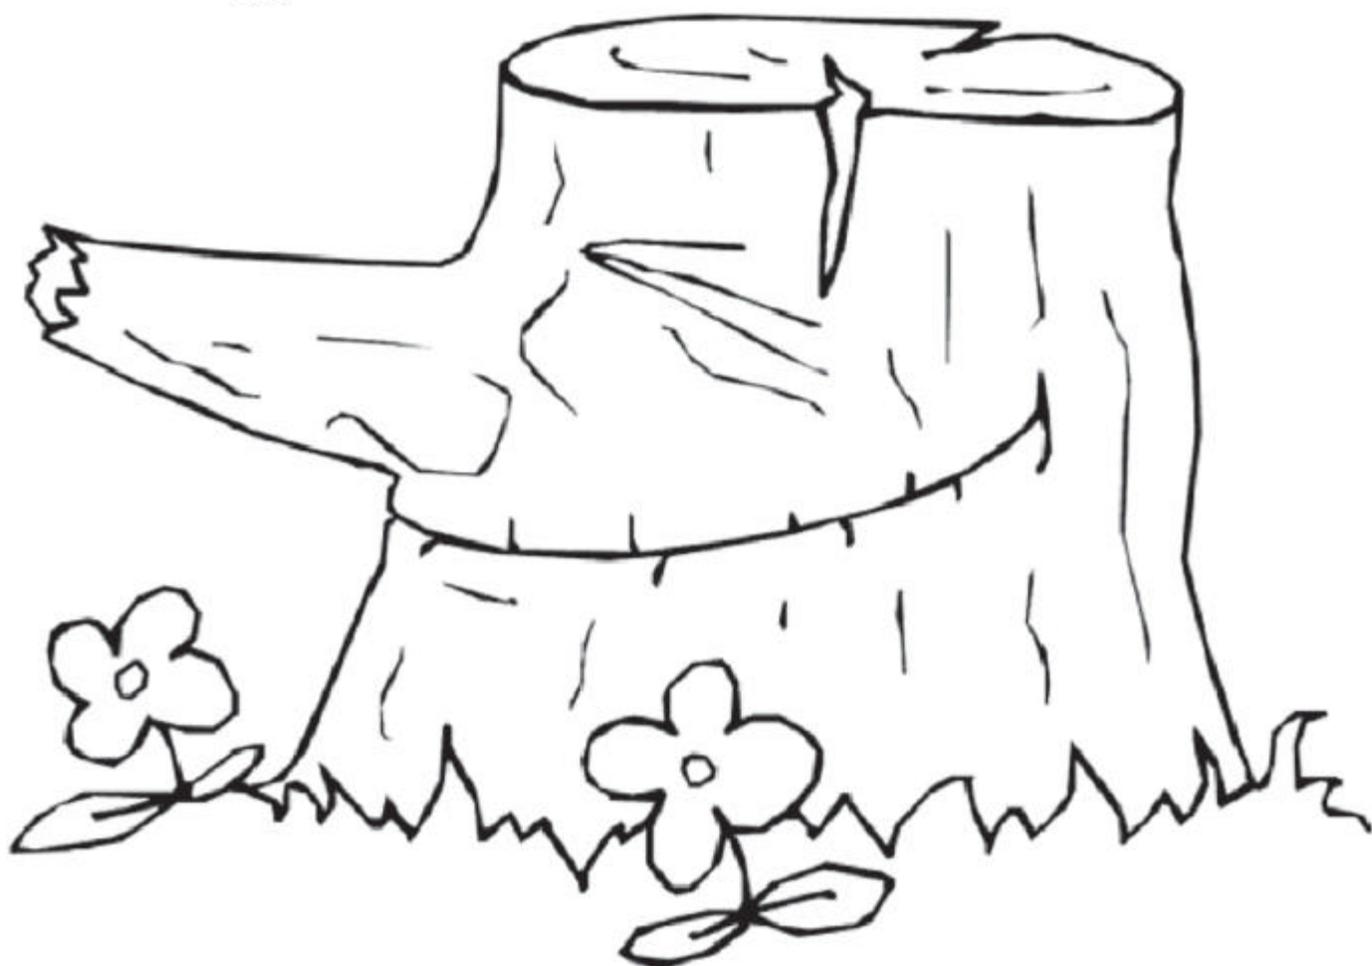

Turn wheelbarrows, tubs, wading pools,  
and boats upside down or store  
them under cover when not in use.

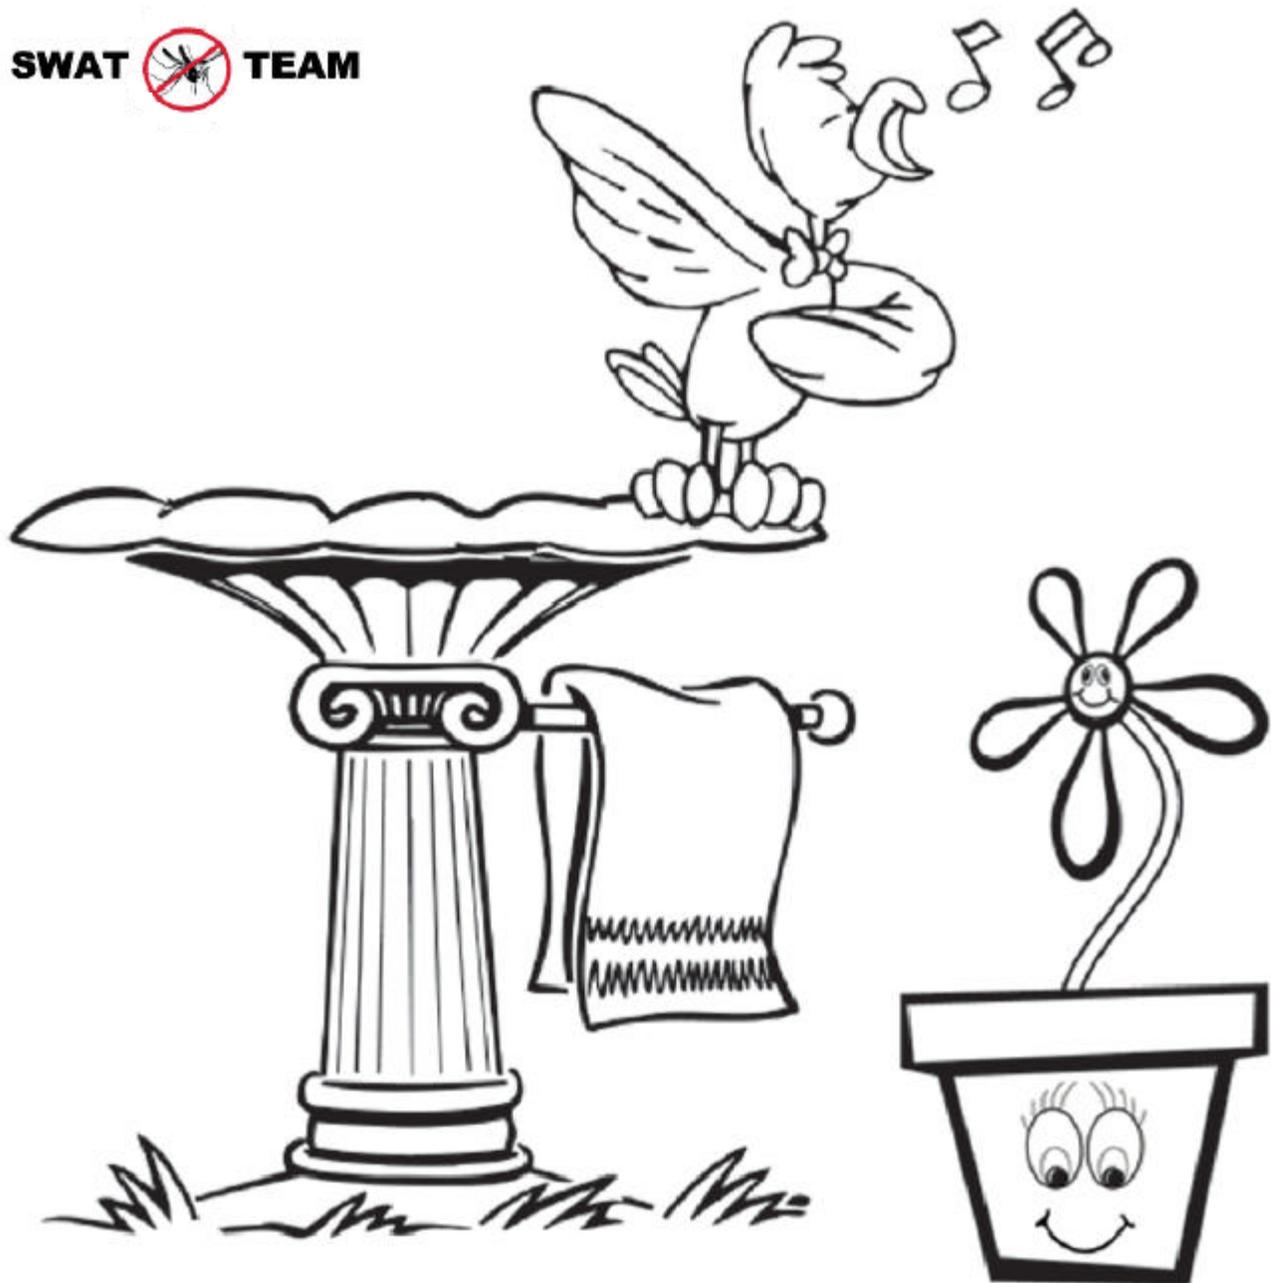

Get rid of unused tires, make holes in them, or store them in a covered area so that water cannot collect in them.

SWAT  TEAM

Fill tree holes with sand or gravel so that water does not collect in them.

SWAT  TEAM

Change the water in flower pots, bird baths,  
and pet watering dishes often to get rid of  
mosquito eggs.
