

## Save-the-Dates

# Ohio Department of Health School Nursing Program 2015 Orientation for Nurses New to Ohio Schools

Sept. 16-18, 2015

Department of Agriculture  
8995 E. Main Street  
Reynoldsburg, OH 43068

**Orientation Topics** include general school nursing responsibilities, immunizations, communicable diseases, special education overview, legal issues, school nurse licensure, child abuse, confidentiality in the school setting and school health screenings.

**Registration Information** will be mailed to schools in early August. The target audience for this orientation is registered nurses who have less than two years of experience working in schools and who have not previously attended an orientation.

**Registration Fee** \$80.00 includes conference materials and nursing continuation education credit.

**Registration:** To register, go to OhioTRAIN at <https://oh.train.org> and register for course #1054124. If you have not used OhioTRAIN before, go to “Create Account” on the website and follow the directions. Up to 18.50 nursing continuing education contact hours are available.
