ODH RELEASES REPORT ON LAMMERS BARREL FACTORY SITE

The Ohio Department of Health (ODH), Health Assessment Section is releasing the final Agency for Toxic Substances and Disease Registry public health assessment document for the Lammers Barrel Factory Superfund site, in Beavercreek, Greene County. The ODH- produced report reviews available environmental data and makes conclusions and recommendations about potential public health implications posed by the site. The report will be available at the Beavercreek Community Library, 3618 Dayton-Xenia Road, Beavercreek, Ohio, 45432. A copy of this document will also be available for public access on the ODH Web page at: <http://www.odh.ohio.gov/ASSETS/8AE4D0C5343741D2BBD087925824106D/Lammers%20Barrel%20PHA%20Final.pdf> .

Questions about the public health assessment should be directed to:

Peter J. Ferron
