PHOTOS OF ODH PREPARING H1N1 VACCINE FOR SHIPPING ONLINE

The Ohio Department of Health (ODH) today received and repackaged 61,500 doses of nasal-spray H1N1 flu vaccine to more than 100 local health departments and hospitals across the state. The vaccine – approved for use in healthy people 2 to 49 – is slated to arrive in communities Friday and will be used to vaccinate health care workers and EMS workers who provide direct patient care.
