ODH RELEASES FINAL REPORT ON SOUTH DAYTON DUMP AND LANDFILL SITE

The Ohio Department of Health (ODH) Health Assessment Section has released the final public health assessment document for the South Dayton Dump and Landfill Superfund site in Dayton, Montgomery County, Ohio. The report reviews available environmental data and makes conclusions and recommendations about potential public health implications posed by the site. The report is available at the Dayton Metropolitan Library, Kettering-Moraine Branch, 3496 Far Hills Avenue, Kettering, Ohio, 45429, and on the ODH Web site at:
