## **ODH CORRECTS H1N1 VACCINE PRE-REGISTRATION ANNOUNCEMENT**

COLUMBUS – On Wednesday, the Ohio Department of Health (ODH) announced that Ohioans who register to receive H1N1 flu vaccines at <http://www.flu.ohio.gov> would be able to bypass the registration process when they receive the vaccine. This is incorrect. People who register will still have to go through a portion of the registration at the provider's office, but their wait may be shortened by completing the paperwork in advance.

ODH apologizes for any inconvenience this may have caused.
